**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 07/17/2017 and 08/04/2017.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5

**Special condition # 2:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On December 2, 2016, Mr. Haley's conditions of supervised release were reviewed. Mr. Haley signed his judgment acknowledging an understanding of his conditions of supervision, to include special condition number 2, as noted above.

Mr. Haley violated his conditions of supervised release by using methamphetamine on or about December 26, 2017.

On December 28, 2017, Mr. Haley reported to the U.S. Probation Office as instructed. It was at this time Mr. Haley provided a urinalysis that tested presumptive positive for methamphetamine. After initially being deceitful, Mr. Haley admitted to the undersigned, and via a signed document, that he used methamphetamine on or about December 26, 2017.
